FIXEDFLO® High Efficiency Sensor Faucet Wins Building Operating Management (BOM) Magazine's 2012 Top Products Award

CHATSWORTH, CA (January 2012) - The AMTC FIXEDFLO® High Efficiency sensor faucet system wins Building Operating Management (BOM) Magazine's 2012 Top Products Award. The Top Products Awards recognize the most popular manufacturers and suppliers of the year, as determined by building and facility executives who participated in a national survey.

About AMTC

AMTC is a leading manufacturer of advanced plumbing systems and water conservation devices for commercial applications. The company specializes in “touch-free” electronic flush valves, urinal and commercial toilet systems, electronic faucet systems, and electronic soap dispenser systems. All of AMTC’s electronic plumbing systems utilize its proprietary Micro-Cam Technology as a more reliable alternative to solenoid technology usually found in most competitor systems.
