FOR IMMEDIATE RELEASE

AMTC Flush Valves & Systems Receive WaterSense® Certification

CHATSWORTH, CA (November 2016) – AMTC’s manual and sensor operated flush valves as well as commercial toilet and urinal systems receive WaterSense® certification. WaterSense® listed commercial toilet flush valves and systems are available in 1.1gpf and 1.28gpf high efficiency models. WaterSense® listed urinal flush valves and systems are available in 0.125gpf and 0.5gpf high efficiency models. For more information visit www.amtcorporation.com.

About AMTC

AMTC is a leading manufacturer of advanced plumbing systems and water conservation devices for commercial applications. The company specializes in “touch-free” electronic flush valves, urinal and commercial toilet systems, electronic faucet systems, and electronic soap dispenser systems. All of AMTC’s electronic plumbing systems utilize its proprietary Micro-Cam Technology as a more reliable alternative to solenoid technology usually found in most competitor systems.
