TERMS & CONDITIONS

Terms
No Minimum Order Required.
All prices are F.O.B. Factory with full freight allowed on $4,000 net within the United States, such allowance to be based on the lowest rate medium of transportation. Additional freight services, such as construction site delivery, lift gate delivery service, re-consigned freight or notification charges, are not included in FFA terms, and will result in additional freight charges.

Net Payment Terms: 30 Days. In addition to prices and freight specified, Buyer shall pay all sales, consumers, or other applicable taxes.

Limited Warranty
Unless otherwise noted, AMTC warrants its products to be made of first class materials, free from defects of material or workmanship under normal use and to perform the service for which they are intended in a thoroughly reliable and efficient manner when properly installed and serviced, for a period of Five (5) years from date of purchase (Three (3) years for water saving flush handles and automatic soap dispensers and One (1) year for vitreous china). During this period, AMTC will, at its discretion, repair or replace any part or parts that prove to be thus defective if returned to AMTC, at customer's cost, and this shall be the sole remedy available under this warranty. This warranty does not cover the batteries shipped with the products. No claims will be allowed for labor, transportation, or any other incidental costs. This warranty extends only to persons or organizations that purchase AMTC's products directly from AMTC for purpose of resale.
THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF. IN NO EVENT IS AMTC RESPONSIBLE FOR ANY CONSEQUENTIAL DAMAGES OF ANY MEASURE WHATSOEVER.

Product Return Policy
Products that are determined to be defective or shipped incorrectly by AMTC will be credited at invoice price. Products returned for reasons other than defects or AMTC shipping errors are subject to a 25% restocking charge; return freight is at customer's expense. If the invoice is not available, then credit will be issued based on the previous price sheet, if the price sheet is less than a year old. All returns must be authorized by the factory prior to returning. The factory will issue a return material authorization number (RMA) number. The RMA number must be written on the shipping label, each load inspection and all related documentation. All returned material should be returned in the original, unopened shipping cartons, or suitably packed. The material is to be packaged such that it will not be damaged during the return.
Deductions will be made for any material returned that is not in saleable condition. Material not in saleable condition will be returned to customer or scrapped at customer request.
Material over one year old will not be accepted.
When returning material, the following information will be required:
Invoice Number, Product Part Number, Description, Quantity, and Reason for return requests (attach a note with specific/detailed reason(s) for return).
Material returned as defective, but on inspection, is found to be serviceable will be subject to credit reduction. A test report will be available upon request.
All returns are to be freight prepaid. The RMA number must be on each load and each container.

Shortages, Incorrect Shipments, Proof of Delivery Requests
Claims for shortages or incorrect filling of orders must be made within 30 days from date of delivery. No claim over six months old will be honored. Deliveries that are short carton(s) or have damaged carton(s) must be reported immediately. Damaged carton(s) must be kept for Carrier Claim Inspector.
